## BEVERAGES

### OUR COCKTAIL MENU

is based on flavor profiles. As a modern inspired restaurant, we have chosen to focus on premium Latin, local or artisanal beverage and cocktail selections.

The juices in our cocktails are cold-pressed, never heat pasteurized, ensuring the most flavor and nutrients are preserved. We also daily prepare reductions, infusions and our sweet and sour mix makes our cocktails skinny, reducing the amount of sugar in all our cocktails.

We hope you find something that satisfies your taste, if not please ask our talented staff, we are happy to create something just for you.

- Cheers, La Calle Bar Team
